

JULY 2021 - ISSUE 2

COVID-19

Since the start of the pandemic the practice has had to react and adapt very quickly to new laws, new guidance, new ways of working, new technology & new systems whilst continuing to look after our patients and staff. We have also administered nearly 1400 Covid -19 vaccinations and we have more patient contacts each day than ever before.

We would like to thank all of our patients for their continued patience, support, and respect for our staff and reassure you that we are here to help.

We've updated our website! Please click the link below to check it out.

The self-care section has lots of great resources to help you take control of your health and wellbeing.

Click to download the NHS App

NHS App - NHS
(www.nhs.uk)

- **Order repeat prescriptions**
- **View your Covid-19 vaccinations**
- **View your medical record**
- **Register for organ donation**

For help with using the app visit:
[Get Nottinghamshire Connected - Notts NHS App](#)

Please note that we are unable to provide evidence of Covid-19 vaccinations. Please do this via the NHS app or call 119

Are you interested in sharing your opinions and ideas with the practice?

We are launching a virtual Patient Participation Group which will meet online a few times a year to discuss practice issues and patient experience to help improve our service.
